PERSONAL. -Mr. John Slidell, at present residing in Fort until further order. Warren, is a native of this city. His father was a very respectable tallow chandler, and for some time to the 25th ult. to visit the Convent of the Barbethe Agriculture of the Mechanics Bank. In the times when president of the Mechanics' Bank. In the times when rines near the Quirinal, and afterward the Convent gays, "to try the experiment of an 'entertainment,' rane upon the use to be made of the slaves in proseet, the family residence was on the Bloomingdale Road, at or about the present intersection of Thirtieth street with Breadway, and is still standing. One of the prominent events of John Slidell's life in this city was his duel with Stephen Price the munuous of the Park Theater For some cause, Price challenged Slidell, then an enterprising are quartered, and spoke to several of them in the that the Colonel of a certain regiment now in the young merchant. They fought on the early morning of a day, on which Price was to give a large dianer party. By some curious mischance, Price was shot in a delicate posterior region, but the dinner party came off notwithstanding. Price received his guests from it, that induced Slidell to become a resident of an able and eloquent preacher, has notified the President of the regiment by the New-York Union Defense util., aged 83. in bed. It was this duel, and the scandal arising New-Orleans. Stephen Price was a noted duelist. On one occasion a British officer named Green, on his way to Canada, got into some difficulty with Price's younger brother, at the Park Theater, but the matter was settled quietly. On arriving at his post, sands of slaveholders in good and regular standing, Green was taunted by a brother officer at the messtable with not having resented an insult given by a of the church or by the administration. It is under-Yankee. Green returned to New-York, and chal. stood that Mr. Mattison also takes exceptions to the senged young Price. They fought, and Price was mode of church government in the Methodist church. hilled. Stephen Price betrayed no resentment toward Green, but hearing some time afterward that teer in the army of Garibaldi, recently committed the officer who had incited Green was at the suicide at the house of one of his friends in the Rue City Hotel, he called there and was shown to the offi. de la Michodière, by discharging a pistol at his head. Santiago, has a commission from Earl Russell to instant the net transport of cotton-growing in that the other was not so easy a matter after by the blindfold producing grain, sweet potatoes, &c.; and his direct of cotton-growing in that the subject term success, many of his opponents being players of recognized ability. Mr. L. now proposes to play, over the board, ten games simultaneously against twenty strong players, each game against him being conducted by two players consulting together. The performance of this highly interesting feat will take place on Saturday evening, Nov. 23, at the Morphy Chess Rooms, corner of Broadway and Fourth street. Players from abroad, who may be present, will have an opportunity of participating.

> WRECK OF THE BRIG JUDGE WHITMAN .- The bark Teresa. Capt. Foster, arrived at this port on Wede esslay from Maracaibo. On the 17th inst. latitude 38° 05', longitude 71° 30', she fell in with the brig Judge Whitman, Capt. Bray, of Boston, carrying granite, and bound to Fortress Monroe, in a sinking condition. After considerable trouble Capt. Foster succeeded in rescuing Capt. Bray and crew, bringing them to this port.

On Nov. 12, latitude 30º 10', longitude 72°, the Teresa spoke the schooner Winthrop, from Wilmington, N. C., for Nassau, which had run the blockade, in company with another schooner, four days previous.

OFF FOR FORT WARREN .- The Fall River boat on Wednesday evening took to Fort Warren twenty-five Southern prisoners, two of them officers, at Santa Rosa Island, who came here on Tuesday on the steamer Rhode Island. The prisoners were in charge of Lieut. Broom, and Sergt. Forter, and 10 United States soldiers. The Rebel officers were very chary of speech, but said they bad been treated as well as prisoners of war could expect. They regretted exceedingly going to Boston, would much prefer stopping in New-York; thought they bad friends here who would make captivity tolerable. The officers were fine looking young men, about 25 years of age, both being in uniform, and neat and clean. The privates were a hard-looking lot, their clothes being dirty and ragged.

THE REBELLION, ITS ORIGIN AND MAINSPRING .-The Hon. Charles Summer is to deliver an oration at the Cooper Institute, under the auspices of the Young Men's Republican Union, pext Wednesday evening, on the subject of "the rebellion, its origin and mainspring."

PREPARING FOR ELECTION .- The long line of applicants for naturalization which daily besiege the office of the Naturalization Clerk, and the Courts of record, tell plainly that election day is once more at hand. During this week about 100 persons a day the expenses. After this week the rush will be over, as those naturalized subsequently will not be ligible to vote at the ensuing election.

Cornection .- We are informed that our dispatch, stating that a Lieutenant of the 18th New-York Volumteers had been reprimanded by Gen. Franklin, was an error; that a Lieutenant of some other regiment may have been reprimended, but mone of the 18th. Good for the 18th.

DISPATCHES FOR EUROPE.-The R. M. steamship Persia will call off Cape Race about Saturday soon, weather mitting, and Capt. Judklos will be happy to take charge agency of George Stoker, esq., No. 145 Broadway, New-York, up to Friday evening.

ACCIDENT TO A FIREMAN .- On Wednesday even-

ticles, which have gone far to neutralize, both in this country and in Fource, the Secretary vend in Fource the Secretary vend of the Third Precipit.

THE M'CORMICK REAPER CASE

The opinion of Commissioner Holloway, published n THE TRIBUNE of Nov. 19, contained some animadversions upon the counsel who represented the oppo-sition to McCormick. It will be seen from the following amendment of the Commissioner's opinion that his comments upon the conduct of those gentlemen were founded upon a misapprebension of the facts, and that the mistake has been promptly cor-

rected: "UNITED STATES PATENT OFFICE. "Since the publication of the foregoing opinion! have re-ceived a communication from Lee & Fisher, per S. S. Fisher, in which it is ceclared that the letter above referred to "see only letter of the kind written, and the expression "de-feated in the Patent Office" referred only to the legituate use of the bands under our agreement (with our clients, herewith inclosed), for the purposes therein specified. It is due to the parties named that I should give them the benefit of this thoir discisiner, sud, regarding it as satisfactory, I do so by making it a part of my reconded outside. making it a part of my recorded opinion.
D. P. HOLLOWAY, Com'r of Patents.

" Noe. 7, 1861."

Wiscossis Election .- The Mudison Journal of Saturday figures up that the general result for State ticket and Legislature is "all right." The cutire list will elect straight Republicans. Classified by ante-Dr. Osborn, Surgeon of the Tammany Regiment, in the Assembly, as well as in the Senate. The before they got out of the woods. The laugh is now -just nothing.
